Dear Parents and Carers

Considering that it has been an extremely hot week, the students have settled into their classes and routines smoothly. Fortunately for the P-4 classes, they had the added bonus of swimming lessons this week which certainly helped cool everyone down! Congratulations to all those students who completed their lessons successfully.

You will notice that a new shade structure has been erected over the pre-primary playground this week. Many thanks to the Dalkeith P&C for providing the funds that made this possible. It is during weeks like this very hot one, that show us just how much we need lots of shade in the school!

You will also have noticed our new Kiss’n’Drop zone on the far side of the school. I am very pleased to report that this is working extremely well. It has reduced traffic hazards such as double parking and it allows busy parents to quickly and safely drop their children. To maximise the efficiency of this system I would like to remind parents of a few important points:

- Drive along the Kiss’n’ Drop zone as far as you possibly can to allow other cars to pull in behind you.
- Please do not get out of your car. Have school bags accessible as much as possible. I am concerned about students standing at the rear of cars getting bags out when other cars are pulling up behind them.
- Make sure your children alight from the footpath side of your car.
- Please do not park on the verge anywhere around this area of the school as it blocks the view of incoming Kiss’n’ Drop drivers.

Thank you to all the parents who have made use of our new zone. Your cooperation is greatly appreciated. Many thanks also to Geoff Knights and the City of Nedlands who assisted me to make this happen.

I would like to remind all parents that we have children in our school who are extremely allergic to nuts. Please be mindful of this when packing your child’s lunch box and/or bringing any food into the school for special occasions. The consequences for an allergic child who has unwittingly consumed nuts could be devastating. Thank you for your cooperation and assistance in making our school a safe place for everyone.

If you are thinking about or are currently taking your child out of the school for private tuition, please be reminded that you do need Principal approval. There is a form that you must fill in and submit to the Principal. The forms are available from the front office. This needs to be done annually, therefore if you completed a form last year, you need to complete another one this year.

We look forward to seeing you all at our parent information sessions this evening. Our staff will use this time to share with you important whole school and classroom procedures and expectations. If you have specific concerns about your child, please make an appointment to discuss these with your child’s teacher at another time.

KINDERGARTEN NEWS

Kindy Red and Kindy Blue have settled well into the new school year. They are learning all of the routines of kindergarten. With the weather being extremely hot the children are enjoying lots of water and sand play outside in the shade. Some Kindy Blue children even had a taste of our kindy grown purple carrots. Yum!!
