Dear Parents and Carers,

Well done to all the students who have participated in the recent round of interschool games. Our students played well, had some wins and some losses, but all in all came through with great sportsmanship and tremendous effort. Thank you also to the teachers and parents who attended the games and gave their time and support to our players.

Next week is the culmination of the interschool games with the lightning carnival. Good luck to all the teams—continue to play hard and play fair as Dalkeith Primary School students do!

While our year 5 and 6 students have been at interschool games, our year 4 students have been engaging in some orienteering activities. They have had a wonderful time working in teams to negotiate their way around the school to find various markers. This has been a fantastic learning experience for our students as they have had to apply maths, reading, group work, physical agility and listening skills all at once to accomplish their task. Many thanks to Janet Fletcher from UWA for conducting these sessions for our students.

This Friday is a special day at the Dalkeith Kindy—it is an open day from 10am to 12 noon. Please encourage your friends to call in and see what a wonderful facility we are operating! Our Kindy program is highly engaging, well equipped with some fantastic equipment and is of course situated in the best location in Perth! Why would you go anywhere else?

We had a very informative School Board meeting on Monday this week with a presentation from two senior consultants from Marketing and Communications in the Department of Education. The presentation was focused on key messages about the things we need to consider when marketing all the amazing things that happen at our school. Some after school workshops will be organised for the School Board members and anyone else in the community who would like to be part of our marketing strategy and planning. We are fortunate also to have the expertise of Margie Livingston, who has volunteered her time to guide us in these workshops. Dates and times will be communicated early next term.

We also had a very interesting presentation from Dr Jenny Lane on the work she has done across quite a few schools on peer observations. Jenny has worked extensively with teaching staff to introduce and implement peer coaching—a process which we have been working on steadily at Dalkeith Primary School. We are very fortunate to have Dr Jenny Lane as a School Board member as she brings a wealth of knowledge and expertise not only in this area but also in technology use in schools.

As we are nearing the end of yet another busy and productive term I look back and see all the wonderful things our students, staff and community have achieved so far this year. Our successes are due to amazing commitment from everyone and the way the school and community are so well connected.

Suzanne Pekin
Principal

Together we are shaping the future for our students at Dalkeith Primary School!
It works! After hours working on ideas, testing prototypes and building their design, a group of year 5 boys participating in a year 5/6 STEM enrichment class managed to create a solar powered fan for their STEM City project. There were fist pumps all round as their invention came to life in the sunshine.

This is just one of many projects; students in this class have been developing to address environmental sustainability in their homes and cities. Their design brief was to develop ideas to make an aspect of their home or city more energy efficient using the circuits, construction, solar panels and 3D printing technology. We have a solar powered fan and rooms with lights activated by motion sensors so far.

This week every group designed one element of their project using the app Makers Empire and they are now being 3D printed in the STEM Lab on the 3D printer. Below is one of the first objects printed – amazing work girls!
The focus of the fortnight is Responsibility in Our School Grounds

- Play inside the boundaries
- Ask permission before retrieving equipment
- Be sun smart – wear your hat
- Zip your bag and hang it on the hook
- Line up quickly and quietly
- Report unsafe behaviour
- Use the toilet during break times
- Play safely
- Use the recycling and litter bins

PARENT INTERVIEW DAY – WEDNESDAY JUNE 29

Wednesday June 29 is Parent Interview Day. School will close for students at 11:40am. The remainder of the day is set aside for parents to have a 10 minute interview with teachers to discuss your child’s progress. It allows parents time with their child’s teacher in understanding their achievements this semester. The year five and six students are to attend the interview with their parents for a three-way discussion. Parents, please be mindful that teachers will have back-to-back bookings with families throughout the day and will need to keep to time. If you require more time with the teacher feel free to book a longer session at a later time convenient to you both.

The interview schedules will be available next week for parents to put their names in a time slot. Specialist teachers (Art, Science, Music and Japanese) will also have an interview schedule should you wish to make an appointment.

ENTERTAINMENT MEMBERSHIPS

We’re fundraising and it’s not too late to order your book or digital entertainment membership. Keep the children busy these school holidays!

Books can be collected from the school office.
Kindy Visitor

Ms Hughes, the Deputy Principal, visited the Kindergarten children for Lunch and a play. After chitchat at Lunch there was much excitement as Ms Hughes joined the children in the playground to take in the beautiful setting and explore the play equipment.

High-heeled boots were not suitable to tackle the rock wall so the only way to the top of the fort was via the narrow tread stairs. Once to the top, Ms Hughes was the tallest on deck. It looked scary when she had to come back down. Then it was time to talk about holiday destinations with Caia, Aideen and Anjali. The boat to Rottnest was full and Ms Hughes hung on for her life. Can you spot the captain?

The children and staff enjoyed your visit Ms Hughes. Come again soon!
SPORTING NEWS

Interschool Cross Country Results

The Interschool Cross Country went ahead last Tuesday with only a few drops of rain. Thank you to all the parents who assisted getting kids there and back at short notice. Congratulations to all our competitors, everyone put their heart and soul into their race and we’re very proud of you.

The overall results were:

1st Swanbourne 220pts
2nd Rosalie 148pts
3rd Nedlands 132pts
4th Dalkeith 124pts

Yr. 3 Boys
Hugo Y 13th
Ivan Z 15th
Gary C 16th
Oliver D 19th
Zeno F 20th

Yr. 3 Girls
Maddie P 10th
Hannah B 11th
Zoe K 12th
Mila T 16th
Grace P 19th

Yr. 4 Boys
Will A 6th
Tom P 9th
Finn B 10th
Hamish M 11th
Kieran 18th

Yr. 4 Girls
Esther 4th
Teah R 9th
Annabelle D 12th
Charlotte K 16th
Samantha L 19th

Yr. 5 Boys
Josh N 1st
Matthew M 4th
Henry F 7th
Max Y 15th

Yr. 5 Girls
Megan M 4th
Mackenzie 9th
Alice M 14th
Giselle M 16th

Yr. 6 Boys
Hugo 1st
Vaughn R 6th
Ned C 10th
Liam D 13th

Yr. 6 Girls
Olivia A 6th
Isabella M 13th
Eve D 15th
Georgina D 17th
Keely R 19th

... Celebrating success
Modcrosse clinic

The year 3-6 students have been having a great time with Modcrosse this week and last week. They have learnt some fantastic new skills thanks to Nick from Wembley Wolves Lacrosse team. Nick Oh is an old Dalkeith boy himself and has assisted the kids with their throwing and catching technique, reading play and offence and defence game strategies.

Interschool Team Sports Results

Nedlands Primary School came to Dalkeith last week for all the senior sport and we had some great results.

Thank you to all the teachers for training and umpiring the games as well as parents who stepped in to coach, umpire and support.
LIGHTNING CARNIVAL
The Interschool Lightning Carnival will be held on THURSDAY 23rd June (Week 9) at College Park, Nedlands. All year 5 and 6 students and some year 4 students who play on Saturdays will be participating. The bus will leave school sharp at 8.50 with the first game starting at 9.35am, lunch will be at 12.20pm and presentations will be at 2.20pm with the bus returning to school by 3.10.

All competitors must wear their interschool WHITE sports uniform and appropriate sports gear (i.e. shin pads, mouth guards), wet weather gear as well as morning tea, lunch and plenty of water.

Parents are welcome to come and watch and support our teams.

End of Term 2
P AND C NEWS

Fundraising  We have had a busy semester of fundraising. The final figure for funds raised at the kindy picnic is $9448. The quiz night raised $9686.23 and the Kids Card designs products raised $754.50. This gives us a grand total of $19,888.73. As you all know these funds will go towards Dalkeith Primary School continuing to provide amazing opportunities for all of our children. Thank you again for everyone’s efforts.

Election Day:  A Federal election polling place will be set up at Dalkeith PS on 2 July. It is a great chance for us to raise funds from outside our immediate community and as such we will run a BBQ and cake stall. We will be asking all parents to get involved by providing some goodies for the cake stall, or the BBQ (bacon, eggs or sausages), and will also be asking for volunteers from all classes to man the stall for an hour during the day. There will be more information to follow coming via your class rep or email so please keep a look out! Thanks in advance!

School Board Vacancy  Due to a very big vacancy left by Margie McAuliffe, who is retiring from our board after 6 busy years, we are seeking a new parent representative for a three year term. Enthusiasm and energy are critical pre-requisites, and marketing experience would be beneficial for the mix of our board, but it is not essential.

You will be joining a team of ten, consisting of:

- three parent/guardians of students (voted in by the parent/guardian community for a three year term),
- three staff members (voted in by the staff for a three year term),
- and four community members (seconded to the board for terms of one year to provide specialist expertise in their chosen field).

We meet twice per term on a Wednesday afternoon to discuss the formation and progress of various strategies that contribute to the achievement of the school's academic and pastoral goals. Our current areas of focus include STEM (science, technology, engineering and maths), SAER (students at educational risk), as well as communication and marketing of school events and achievements to the community.

If you are interested in nominating for this position, please email Julianne Allan, Board Chair at julesallan2@bigpond.com by Friday 24th June or call 0419 969 675 for more information.
See School Community Noticeboard for flyers

**Australian School of Performing Arts (ASPA)**

junior@agc nurtures girls aged 5 to 8. You are invited to try a free class at your local rehearsal venue – Dungrag, Murdoch and Subiaco. To join a June Open Class call 6365 2100.
