Dear Parents and Carers,

Many thanks to all the teachers and parents for their time and input today during our parent-teacher interviews. This time is very important for you to gain deeper insights into your child’s progress and to discuss any queries you have about their report. If you are unsure about a grade, and you were not able to see the relevant teacher today, please make an appointment at yours and their earliest convenience.

A big congratulations to the Hockey B team who took out the shield at the Interschool Lightning Carnival. They played the whole day undefeated so that is quite an accomplishment! Feedback from parents and teachers is that all of our teams played exceptionally well, even though some teams were down players. This is a great demonstration of the Dalkeith team spirit and sportsmanship. Well done everyone!

Congratulations to Aileen Milford who has recently won the position of Manager Corporate Services and Bev Davis who has been appointed permanently into the School Officer position. Our front office staff are very knowledgeable, welcoming and helpful so don’t hesitate to contact them if you have any queries.

We say Bon Voyage to Miss Hughes, Mrs Bright, Mrs Hamilton, Miss Redmond and Miss Princi as they all take off for some well-deserved leave next term. We hope you have a wonderful holiday—we will save lots of jobs up for you to do on your return! I expect lots of presents from exotic locations to be coming my way next term. We welcome Gemma Boot who will be teaching in Room 1 during Mrs Hamilton’s absence. We also welcome Sonja Rubio who will be working part time as an Education Assistant in the kindergarten from the beginning of Term 3. Jay Freeman will work in our front office from the start of Term 3. Please note our newsletter day is going to change to Thursday (from Wednesday) as of the start of next term so we can utilise Jay’s great IT skills!
I hope you all have an enjoyable and relaxing school holidays with your children. We will see you back at school on Monday 18th July. There is no School Development Day at the beginning of next term. We will be getting straight into Athletics practice in preparation for the Term 3 carnivals!

Together we are shaping the future for our students at Dalkeith Primary School!

NATIONALLY CONSISTENT COLLECTION OF DATA FOR STUDENTS WITH DISABILITY

All schools in Australia, including Independent and Catholic schools, will participate in the Nationally Consistent Collection of Data on School Students with Disability every year.

The Data Collection is an annual count of the number of students with disability receiving educational adjustments to support their participation in education on the same basis as students without disability.

All educational agencies are now required under the Australian Education Regulation 2013, to provide information on a students’ level of education, disability and level of adjustment to the Australian Government Department of Education. Data will continue to be de-identified prior to its transfer and no student’s identity will be provided to the Australian Government Department of Education.

The collection of this information from states and territories will inform future policy and program planning in relation to students with disability.

If you have any questions, please do not hesitate to contact Suzanne Pekin on 93863710 or the Western Australian Department of Education NCCD Helpline on 0477741598.

DALKEITH PRIMARY SCHOOL – NUT FRIENDLY SCHOOL

A reminder that Dalkeith is a nut friendly Primary School.

There are various nuts and seeds including tree and ground nuts which students at this school are highly allergic to. Ensuring that children avoid exposure to any foods they are allergic to is the only way to manage food allergies.

Children should:

- Be discouraged from swapping or sharing food.
- Always wash hands after eating
- Ask what their friends are allergic to and help them avoid it.

Food brought from home

If baking for Café Dalkeith or Fundraising events please refrain from baking with nuts.

Thank you for your understanding!

Camp Australia is a Before and After School Care program. This provides a safe environment for children to be involved in active games, planned and unplanned play and homework time. This term the children loved going outside to play, as well as a variety of arts and crafts including salt dough, painting and making paper plate animals. A highlight this term for the children was making and playing with slime.

We provide breakfast for children in the morning and a healthy snack in the afternoon.

Our opening hours are from 6:30 in the morning until class commence and from when school ends until 6:00 in the evening. Pre-Primary and Year 1 students will be taken to their class each morning and a Camp Australia educator will collect them from class in the afternoon.

Thank you to Dalkeith Primary School for welcoming Camp Australia this term, and we look forward to seeing you all after the school holidays.
