DALKEITH PRIMARY SCHOOL

OUR MISSION STATEMENT

Strive for excellence
Respect and value others
Inspire creativity and innovation
Empower global citizenship

Together we shape the future

OUR SHARED BELIEFS

Kids learn best when:

Stimulating, meaningful experiences are provided
Technology and innovation are integrated in all learning
Reflection becomes a valued part of their learning
Inclusive and co-operative environments are provided
Visible Learning is embedded
Explicit feedback and encouragement is received

SCHOOL BOARD

The role of the School Board is outlined in the Education Act 1999. In essence, the role of the ‘Board’ is one of setting the long term future for the school and maintaining oversight (not management) of the school’s operation. The DPS Board aims to provide additional expertise to help the school achieve the best outcomes for our students.

The responsibilities of the Board are to:
1. work within the Department of Education’s relevant legislation and regulations;
2. contribute to the School Delivery and Performance Agreement and the Business Plan;
3. endorse and review the annual budget;
4. assist with the formulation of Codes of Conduct;
5. review the performance of the school;
6. create interest in the school within and across the community;
7. assist with Principal selection when a vacancy arises;
8. approve fees, charges, contributions and booklists;
9. approve extra optional components of programs;
10. approve arrangements for sponsorship and advertising; and
11. liaise with other committees within the school eg. P&C.

PARENT FUNDED 1:1 IPAD PROGRAM

The Australian Curriculum mandates the integration of Information and Communication Technology (ICT) and the use of digital technologies across learning areas.

Teachers at Dalkeith Primary School, over the past three years, have undertaken extensive research and trials with some of Australia’s leading experts in technology use and found that ICT enhances student outcomes and takes learning to levels not previously possible.

To enact this across the school Dalkeith Primary School launched the 1:1 parent-funded iPad program last year in consultation with the school board and the community through parent forums. Students in years 3-6 are required to bring an iPad device from home to use at school.
Students, parents and teachers that are in parent funded iPad classrooms will also sign an iPad contract that is a partnership agreement. This addresses filming of individuals, screen time and the use of social media. This is signed in addition to the 3-6 Online User Agreements. These are included in the school diary and are signed by students and parents at the start of the year.

Parents have the option to purchase or lease an iPad in a comprehensive package that includes insurance, technical support and peripheral items from Winthrop Australia. Alternatively students can bring the device in from home. All iPad’s must have a robust cover, insurance and be an iPad Air or Mini (minimum iPad 3). There is a list of apps to be installed on the iPad at the start of the year. Teachers may ask for additional free apps to be installed throughout the year but parents will not be asked to pay for any further apps until the start of the following year.

Parents have the option to store and charge student iPads at school should they wish. It is highly recommended for year 3 students to keep their iPads at school for first term to assist with their transition from year 2. It may be necessary to take the device home periodically to update and back up your child’s iPad. iPads provided by the school for student use will be managed by the school and remain in locked charger trolleys at school overnight. Parent workshops will be offered throughout the year to assist with device management and to keep parents informed about how their child is using the iPad at school.

Please see the school website under For Parents>iPad Information for more information.

Any enquiries please email Tamara Doig, Deputy Principal at tamara.doig@education.wa.edu.au

ICT ACROSS THE SCHOOL

Dalkeith Primary School has a strong commitment to providing students with a 21st century contemporary learning environment. In addition to the 1:1 iPad program in years 3-6, there is a MacBook Air laptop permanently in each classroom for student use and access to 32 MacBook Air laptops. Each 1:1 classroom has an LED display panel with Apple TV for wireless mirroring of computers and iPads to the screen.

All kindergarten to year 2 classrooms are equipped with interactive whiteboards and PP-2 classrooms will have timetabled access to the MacBook Air laptops. K-2 will also have about 10 iPads in their classroom throughout the year.

All classrooms negotiate an iPromise statement that outlines the classroom technology agreement. This is in conjunction with the classroom agreement and the K-2 and 3-6 Online User Agreements. These are included in the school diary and are signed by students and parents.

Wireless access has been installed across the school with all classrooms having their own access points. This ensures that all classrooms are able to use technology with minimal disruption.

A Digital Leaders Program is in place for student technology leaders in years 3-6. Students apply through a digital medium. Successful students are trained in iPad technical help to assist teachers and other students. A contract is signed to ensure that students in the program are kept accountable. An iPad helpdesk will run periodically on the verandah to assist families with any technical issues that arise with their devices.
THE EARLY YEARS - NATIONAL QUALITY STANDARDS

The National Quality Standard is the new benchmark for quality in children’s education and care services in Australia. It is based on comprehensive evidence from national and international research about how educators can best support and promote children’s learning. (http://www.earlychildhoodaustralia.org.au)

At Dalkeith Primary School we strive to provide a high standard of education in the Early Years (K-2). In 2015, staff at DPS began using the NQS documents as a basis for reflection and to engage in regular professional discussion with the aim of developing plans to help improve teacher practice.

The Standards are divided into seven Quality Areas:
• Educational program and practice
• Children’s health and safety
• Physical environment
• Staffing arrangements
• Relationships with children
• Collaborative partnerships with families and communities
• Leadership and service management

In 2015 the staff worked together to develop Quality Improvement Plans (QIPs) for two of the above Quality Areas; Physical environment and Relationships with children. The review and improvement process is ongoing. In 2016 we aim to reflect upon and develop a QIP for ‘Educational program and practice’, with a major emphasis on appropriate play-based learning practices in the Early Years.

HOMEWORK

Homework is academic work designed to extend the learning, practice and application of skills and ideas taught in the classroom. Homework supports the development of the student as an independent learner providing an opportunity to learn skills such as time management, perseverance, goal setting and critical thinking.

HOMEWORK RESPONSIBILITIES OF STUDENTS

Students are responsible for:
• completing work at a standard commensurate with their ability
• completing work independently
• submitting work on time
• communicating with teachers and parents when assistance is required.

HOMEWORK RESPONSIBILITIES OF PARENTS

Parents are responsible for:
• supporting students with their work
• communicating high, realistic expectations on the standard of work
• communicating with the teacher any concerns arising
• ensuring that students know ahead of time when homework should be completed each night.

The following is a guide to the types of homework likely to be provided at Dalkeith Primary.

YEAR 1-3
Home reading of teacher provided books
Home reading of individual choice books
Learning of spelling words
Mental math activities reinforcing number combinations and processes
Collecting simple data (eg record what you ate for dinner) to support class work
Mathletics tasks assigned by teacher
YEARS 4-6
As for year 1-3
Finishing off class work not completed during the school day
Research to support class work or study projects
Planning or refining draft work commenced in class
Weekly assignments or activities reinforcing concepts currently being taught in class, or providing remediation or extension of skills and concepts learnt in class

Music practice for those students involved in the SIM program is in addition to class homework.

SOME ADVICE TO PARENTS

- Children need the opportunity to play and relax after school.
- Homework is best done at a quiet time set aside for homework completion.
- Typically, children will become more independent in completing their homework as they reach middle / upper primary.

The time spent on homework depends on the child and homework set for that week. As a general guide junior primary students may spend between 5 and 15 minutes each night, middle primary 20 minutes and upper primary students approximately 30 minutes a night.

READING

Reading plays an integral part in all aspects of learning. It is important to encourage reading of all text types and check for comprehension of the written word. It is requested that you continue home reading of at least 15 minutes each night and sign the homework diary. Junior students have selected home readers from their teacher while senior students are to independently select suitable texts for home reading.

To help your child with reading:

- Have a routine of reading every day with most oral reading done by the child. This can be accompanied by oral reading by you where you become the role model. This is one of the best ways of developing lifelong positive attitudes to reading and an understanding of print and books.
- Praise every effort in reading, especially where confidence is low. Don’t compare a child’s performance with that of relatives or friends.
- Be seen as a reader yourself. Take the family to the local library. Help in selecting books but resist the temptation to impose your own choices.
- Give books as presents.
- Encourage the routine of reading in bed before lights out.
- Encourage good use of the school library and ask “What have you borrowed this week? Would you like to read some of it to me?”

Reference: *Parents Teachers Partners by Barry Dwyer*

Further:
- Provide a suitable reading environment that is quiet, comfortable, and relaxing for both you and your child and free from interruptions. Reading time should be enjoyable, interesting, passionate, and full of opportunities to praise your child.
- Encourage your child to guess what the story is about.
- Praise when your child suggests an idea or word that you know will come up in the story.
- Ask questions like: “What can you tell about the story from the picture?”
  “What do you think will happen in the story?”
- Talk about the start of the story, what happened by the end of the story, the people in the story.
- Mention the person who wrote the story – the author and the person who did the illustrations – the illustrator.
- Make sure that whenever your child reads, it is a complete story, chapter or thought.

Extract from *READIT Home Reading Middle Level p. 11 and 15*.
MATHEMATICS

To help your child with primary school maths:
• Maths is about understanding **number patterns**, not learning by rote.
• Saying “I was bad at maths too” lowers children’s own expectations of themselves.
• There is always more than one way to get the right answer.
• Mental strategies, for example using number lines, to work problems out in their head.
• Ask “What is the question asking you?”
• Practise the times tables.
• Don’t jump in with the answers.
• Stay positive and encourage think time.
• Talk positively about maths so your child also values it.
• Play games with your child, which involve adding dice or numbers.
• Ask your child how they work out maths problems; it helps them reflect on their strategies and boosts their confidence.
• Point out maths in everyday life with your child whenever you can.
• Talk to the teacher if your child needs more help with homework.
• Provide some concrete resources at home, for example counters, to help with maths tasks.

DALKEITH DIARIES

Dalkeith Primary School has produced a homework diary to assist students, parents and teachers with communication between home and school. The students will fill out the diary each day with assigned homework and any notes or communication for parents. It is expected parents will sign the diary once a week and use this diary in addition to e-mailing as a form of communication.

ATTENDANCE

Attendance of students, in years PP-6, is compulsory. It is expected that all students attend a minimum of 90% of the school year. At Dalkeith Primary School we strive for a target of 96%. In order to achieve this we encourage parents to;

• carefully plan holidays to avoid clashes with school term dates
• ensure punctuality as lateness is recorded
• schedule appointments outside of school hours

All absences require written or verbal confirmation from parent to teacher. Excessive absences will be followed up by administration.

If your child is absent from school we request you send an **SMS to 0417 948 524**, (automated service) as early as possible and leave a message stating:

• Your child’s name
• Room number
• Reason for absence

Late arrivals
Parents and caregivers must sign students in at the front office if arriving after 9am.

Early Departures
Parents and caregivers must sign students out at the front office if departing before 3:10pm.

Extended Vacation
Families who take vacations for longer than a week are asked to inform the Principal via email prior to the vacation.
**HOURS OF INSTRUCTION**

Primary School Years 1-6  
8:50am – 3:10pm  
*Tuesdays early close:*  
2:30pm

Pre-primary Centre (5 full days)  
8:50am – 3:05pm  
*Tuesdays early close:*  
2:30pm

Kindergarten  
8:50am - 3:00pm  
*Tuesdays early close:*  
2:30pm

**DAILY TIMETABLE (Years PP-6)**

<table>
<thead>
<tr>
<th>Activity</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
</tbody>
</table>

**EARLY CLOSE EVERY TUESDAY**  
2:30pm

**Before School Supervision**  
Students who arrive at school before 8:20am are asked to sit on the verandah in front of the administration block. At 8:20am the duty teacher will release the students to participate in supervised fitness activities until classroom doors open at 8:40am.

**After School Duty of Care**  
The school does not provide supervision for students once they have left the classroom therefore we ask that parents note that students may only use the school playgrounds under parent supervision.

**Kiss and Drop Parking Zone**  
A section of parking on the northern side of the school is now a Kiss’N'Drop zone between the hours of 7:30-9:00am and 2:30-4:00pm. The zone will be supervised by staff to ensure the safety of the students both before and after school. Parents are asked to stay in their car whilst parked in the zone during these times.

**PUNCTUALITY**

Parents are asked to ensure that children are at school prior to the siren at 8:50am. It is important for parents to exit the Pre-primary prior to 9am for the start of instruction. Parents are asked to ensure that children are collected or leave the school grounds promptly after school unless special arrangements have been made by parents or teachers.
Please note that term dates may differ from other public schools. As an IPS school, we have planned student free days throughout the school year to meet the needs of our community.

**STUDENT BEHAVIOUR POLICY**

Dalkeith Primary School is currently reviewing and updating its student behaviour policy in accordance with the Department of Education’s Policy.

**RATIONALE**

Dalkeith Primary School provides every student with the educational support the student needs to learn and maintain positive behaviour.

The student behaviour procedures that accompany the policy will:

- document a whole school plan to support positive student behaviour;
- implement the whole school plan to support positive behaviour; and
- provide individual student behaviour support where the need is identified.
POSITIVE BEHAVIOUR SUPPORT PROGRAM (PBS)

In 2015 Dalkeith commenced the PBS initiative. Through the program the school decided upon three expected behaviours:

**RESPECT, RESPONSIBILITY, RESILIENCE**

The following expected behaviour matrix is in draft form and forms the basis of behaviour management. It will be reviewed at the end of term one.

### EXPECTED BEHAVIOURS MATRIX

CODE OF CONDUCT
Parents and carers are asked to refer to the Code of Conduct for Carers on the Dalkeith Primary School website.

PREVENTING AND MANAGING BULLYING

Dalkeith Primary School aims to offer a safe, caring and inclusive learning environment. All members of our school community are committed to ensuring a safe and supportive environment where all members have the right to be respected and have a responsibility to respect each other. We treat bullying as a serious issue.

WHAT IS BULLYING?

Bullying is when an individual or group misuses power to target another individual or group to intentionally threaten or harm them on more than one occasion.

TO PREVENT BULLYING

Treat others with care and respect.
Work to create an inclusive school environment for all.
Learn to tolerate and accept individual differences.
Understand your rights and responsibilities

PARENTS CAN HELP

TAKE AN ACTIVE INTEREST
• in your child’s social life.
• in what is happening at school.

ENCOURAGE YOUR CHILD
• to bring friends home.
• to accept and tolerate differences in others.

BUILD THEIR SELF-CONFIDENCE
• by recognising and affirming their positive behaviour.
• by valuing them for who they are.

DISCUSS WITH YOUR CHILD
• the school’s expectations about rights and responsibilities.
• ways to respond if their rights are infringed.

ENCOURAGE CONSTRUCTIVE RESPONSES
• all types of bullying should be reported.
• hitting back or retaliating with negative behaviour won’t solve the problem.

SET AN EXAMPLE
• be firm but not aggressive in setting behaviour limits.
• be positive in things you say and do.

BE ALERT FOR SIGNS OF DISTRESS
• unwillingness to attend school.
• dropping off in academic performance
• damaged clothing and frequent loss of personal property.
• loss of confidence and uncharacteristic mood changes.
• withdrawal from social activities.

ACT
• if your child is being bullied at school report it to the teacher – do not approach other students.
• your report will be followed up.
NUT AWARE POLICY

RATIONALE

Nut allergies are real. Currently there is no cure for nut allergies. Avoidance of the food is the only way to prevent a reaction. 1:20 children suffer from food allergies and some of them will experience a life-threatening (anaphylactic) reaction.

We have a number of students who are allergic to nuts and are subject to an anaphylactic reaction.

PURPOSE

In an effort to provide a safe environment for students with allergies to nuts, Dalkeith PS is seeking the support of the whole school community to help make our school nut free by ensuring sandwiches, cakes, slices, biscuits, muesli bars, chocolate bars, dips and dried fruit and nuts are not bought to school.

HEALTHY FOOD AND DRINK POLICY

PURPOSE

Dalkeith PS is committed to creating an environment that promotes learning and teaches good eating and physical activity patterns for long term health.

Dalkeith PS is well placed to support healthy eating and reinforce nutrition messages being taught in the classroom by modelling healthy food and drink choices that are tasty, interesting and affordable. Along with the requirement that students participate in a minimum of two hours of physical activity, the healthy food and drink policy is another step in ensuring our children are fit and healthy.

Implementation Strategies:

1. Classroom rewards not to include food.
2. P&C lunches to include food choices from Green and Amber.
3. Class parties and special celebrations - parents to provide food from Green and Amber.
4. Curriculum activities including food (eg. cooking, excursions, camps) to be selected from Green and Amber. If foods from Red are required for a specific purpose, written parent/caregivers permission to be sought (see letter to parents/caregivers appendix).
5. Birthday cakes not permitted during the school day.
6. Parents/caregivers are encouraged to follow traffic light system when packing lunchboxes.
7. Information provided to parents/caregivers through newsletter.

Dalkeith Primary School has an online lunch ordering system that complies with the school's healthy food and drink policy. Further information can be found at www.schoollunchonline.com.au

CRUNCH AND SIP

‘Crunch & Sip’ encourages students to eat fruit or salad vegetables and drink water in the classroom. Dalkeith Primary School has introduced ‘Crunch & Sip’ to support students to establish healthy eating habits whilst at school.

The objectives of the ‘Crunch & Sip’ are to:

1. Increase awareness of the importance of eating fruit or vegetables and drinking water every day.
2. Enable students, teachers and staff to eat fruit or vegetables as ‘Crunch & Sip’ in the classroom.
3. Encourage students, teachers and staff to drink water throughout the day in the classroom, during break times and at sports, excursion and camps.
4. Encourage parents to provide students with fruit or vegetables every day.

The Dalkeith Primary School’s Dress Code has been developed to promote a positive image of the school and to create a sense of identity amongst students.

The code has been developed by School Board in consultation with students, teachers and parents. Students are expected to comply with the Code as they are expected to comply with other school rules i.e. classroom behaviour, absences, bullying etc.

Acceptance of enrolment at Dalkeith Primary assumes an agreement between the parent/guardian and the student to conform to the Code.

### SPORT: Yrs PP-3 Wed & Fri, Yrs 4-6 Thurs & Fri

- Boys and Girls
  - White polo shirt with school emblem
  - House polo shirt (Friday only)
  - Garnet piped taslon shorts
  - Garnet tracksuit pants (term 2 and 3)
  - School windcheater
  - White school sports socks
  - Sneakers
  - School hat with emblem

- Boys
  - Grey shorts, garnet polo shirt, grey socks, black shoes

- Girls
  - School tartan skirt, white blouse, white socks, black shoes

### CHOIR/ORCHESTRA: Performance

- Boys
  - Grey shorts, garnet polo shirt, grey socks, black shoes

- Girls
  - School tartan skirt, white blouse, white socks, black shoes

Jewellery:
In the interest of safety and to minimize potential loss, jewellery should be kept to a watch and stud earrings.

Makeup:
Makeup and/or coloured nails are not appropriate.

Hair:
Hair should be neatly groomed and kept out of eyes. Longer hair should be kept tied back.
LANGUAGES – JAPANESE – LOIS BARNDON

All students in years 3-6 at Dalkeith Primary School study Japanese for an hour each week. This hour is spent learning the basics of the language, and is a busy time. I ask that students are organised to start work as soon as they enter the classroom. This means they have done their home practise (from Hiragana in 48 Minutes), that they have their Japanese file and exercise book, their iPads and a 'fully loaded' pencil case - a writing pencil and a spare, eraser, sharpener, ruler, glue, scissors, highlighter, fine-liner, coloured pencils and textas. It is also good if they bring a drink bottle to minimise the time they spend out of the room.

Japanese lessons follow a similar format at all levels. We begin with greetings and Japanese songs to practise pronunciation and intonation, then we proceed to a drill of the hiragana characters. After that we may spend time writing, reading and/or practising oral speech. Part of the lesson usually has some cultural input.

iPads have become significant in Japanese to practise the script (hiragana) and for research. Students will take a snapshot of all tasks completed on their iPads and save them in a Japanese album, to build up a portfolio to add to the other learning they do over the year. A very useful app for practising hiragana is called 'Kana Trace', but there are others which do a similar job. Parents may wish to download this app to assist with language development.

Parents are sometimes disappointed that their children don't speak a lot of Japanese. At the beginning stages of learning a scripted language, this is very normal. Japanese Hiragana has 45 basic characters and 25 modified characters. Until students have recall of these and a large vocabulary plus a significant amount of grammar, oral speech will be limited. The only way for younger students to speak is to memorise whole passages. This is not learning. Please be patient - the curriculum is a continuum of learning and extends beyond primary school. Each student will be given the opportunity to present in front of the class or at an assembly this year. They may not wish to speak in public when they start studying Japanese, but I will endeavour to develop their confidence and repertoire over time.

My email address is: lois.barndon@education.wa.edu.au. You are welcome to contact me with any concerns.

Barndon sensei

MUSIC – BROOKE MILIANKU

All students from Pre-primary to year 6 participate in weekly classroom music lessons. Students are taught from the Australian Curriculum for Music. Strands include: Making and Responding.

ORCHESTRA YEAR 4-6
Orchestra rehearses on Wednesday mornings from 7.45-8.45am. The orchestra includes violin, viola, cello and double bass. All students who learn through the SIM program are expected to join and be committed members of orchestra. Any student in year 4-6 who has approximately one year's playing experience is eligible to join orchestra.

SENIOR CHOIR YEAR 5-6
Choir is embedded into weekly classroom music lessons and is compulsory for all students in year 5-6. The aim is to sing in unison and in 2 and 3 part harmony.

All performances that occur during the school day will be compulsory. Performances that occur out of school hours, such as the WAGSMS Crown Theatre performance, are optional.

For students who choose to participate in out of school performances there may be occasional before school rehearsals leading up to the concert.

Students will need to wear black shoes for all performances.
JUNIOR CHOIR YEAR 3-4
Choir is embedded into weekly classroom music lessons and is compulsory for all students in year 3-4. The choir participates in many concerts throughout the year including the Children Sing Festival. The aim is to develop unison singing and beginning exploring harmony.

YEAR 2 CHOIR
Choir is embedded into weekly classroom music lessons and is compulsory for all students in year 2. Room 3 and Room 5 will combine to perform at the Children Sing Festival and community events. The aim of year 2 choir is to develop unison singing.

Brooke.milinaku@education.wa.edu.au

PHYSICAL EDUCATION – LIBBY DYDE

I am the PE teacher for all year 3-6 students and I will be at school every Thursday and Friday to teach your children. I have been at Dalkeith Primary School since 2006 and I am passionate about all sports, fitness and nutrition and I look forward to working with your children this year. It is really important that if your child is unable to participate in their PE lesson that you email me directly at libby.dyde@education.wa.edu.au and let the classroom teacher know.

We have a whole school focus on building up the students’ fitness this year together with all their other sporting and teamwork skills. Each term there will be a fitness Beep Test and the students’ will set their personal goals for the term and for the year.

Throughout the year we have many training opportunities and carnivals and I rely heavily on our wonderful parents for assistance and support. So when the time comes, feel free to email me your availability or if you have any other questions or queries please don’t hesitate to get in touch.

Thank you and best wishes.
Libby Dyde

PHYSICAL EDUCATION – KIDS’N’SPORT

Students in P-2 classes will participate in a Kids ‘n Sport session each Wednesday as part of the physical education program.
Kidz ‘n sport will be focusing our attention to the following skills:

- Catching – static and moving
- Throwing – static and moving
- Running- basic techniques to enhance speed including relay carnival races with baton changes
- Agility – being able to change direction when running
- Teamwork
- Listening skills
- Persistence and determination
- Self confidence

Our amazing range of activities and equipment helps us keep the children engaged at every lesson.

Please remember to send your child dressed in their white sports t-shirt, shorts and sneakers on this day. Apply sunscreen before school, especially on hot days and ensure your child has a drink bottle and a hat.

SCIENCE – SARAH FIEL AND BROOKE MILIANKU

We have two science specialists at Dalkeith Primary. Leading the junior primary is Sarah Fiel (P-2) and the upper primary (3-6) is Brooke Milianku. Both are experienced science teachers who teach all lessons from the Australian Curriculum.

The focus for science across all years is the inquiry process. This underpins all topics and is the basis for all our investigations. The inquiry process supports the four topic areas of physical, earth and space, chemical and biological science. For 2016, as a whole school we will be reporting on chemical sciences and the inquiry process.

Sarah.fiel@education.wa.edu.au
Brooke.milianku@education.wa.edu.au

VISUAL ARTS – JANICE TESSER

My name is Janice Tesser and I will teach the visual art program for P-6 students. Every class will take part in one hour of visual art per week.

Students will participate in an engaging program developing a wide range of skills. They will learn various aspects of visual art including; clay work, drawing, painting and construction which will embrace the wide diversity of arts from other cultures.

They will learn about various artists and aim to recreate work using similar techniques. Students will make use of iPads to create multimedia art pieces through various apps and programs. Students are always encouraged to express their creative thinking ideas and skills and appreciate and value the worth and importance of art as it surrounds them and influences their choices.

Students are expected to respect the art room environment by behaving in a courteous and encouraging manner.

The year 3-6 classes are required to have a visual art diary that must be brought to each lesson. They will be given a task each week to complete in their diary. All students are required to wear an art shirt to protect their school uniform.

Looking forward to an exciting year in the visual art field.

Janice.tesser@education.wa.edu.au
Welcome to Dalkeith Pre-primary for 2016. My name is Miss Celeste Cunningham and I will be your child’s teacher this year. Miss Kelly Green is the classroom Education Assistant. Mrs Janet Wearne will take the class on Wednesday mornings with Miss Kelly Green as her EA.

On Wednesdays I have some planning time so I will be here, but not always working with the children. In addition, I will have more planning time on Tuesday morning and Thursday between recess and lunch. Miss Kelly Green will be the EA with the students during this planning time. This year students will have specialised teachers for art, music, sport, health and science. This will be a major transition from Kindergarten, however, the students will ultimately benefit by having teachers who specialise in these learning areas.

I am an early childhood trained teacher and this is my fifth year working at Dalkeith Primary School. As some of you may know I have previously taught in the off site Kindergarten. Prior to joining the Dalkeith community I taught at Kinross Primary School. My aim as an early childhood teacher is to provide a fun, stimulating, enriching and inclusive learning program for your child. I will provide a play-based program that will stimulate children’s minds and allow them to become creative problem solvers. Not only will your child’s academic needs be catered for, but very importantly I believe in looking at the bigger picture, the whole child. I model and encourage independence, confidence, resilience, responsibility and how to get along with others.

Below you will find information relating to the main aspects of Pre-primary. Please feel free to make a meeting before or after school hours should you wish to discuss any matters relating to your child. Please see me to schedule a suitable time.

LIBRARY

Library Borrowing will be on Thursday at 12.40pm-1.10pm. Please bring library bag to school.

Students will attend the school library to borrow books of their choosing this year. During this session your child will learn about the library Dewey system, how to find books related to our classroom lessons and themes, search for favourite authors or topics of interest and understand the difference between fiction and non-fiction. These sessions aim to teach your child the skills to understand how to use a library as a tool to research, learn new information, consolidate prior knowledge, promote reading for enjoyment and encourage imagination. Students will also be exposed to a range of cultural texts as outlined in the Australian Curriculum.

HOME READERS/TAKE HOME BOOKS

In week six students will be given a “Take Home Folder”. The program will include recognising and writing alphabet sounds and numbers to 20, blending two and three letter words, blending more difficult words, beginning sight words and any areas of need that may be identified throughout the year. Each week students will be assessed by the teacher and will be moved to the next skill set once they have become fluent.

Once students can identify all letter sounds and blend three letter words then home readers will be appropriate. Until then, it is extremely important that your child is read to on a daily basis. Bedtime is a great time to share stories with your child. Please encourage the development of their early reading skills by asking questions, encouraging children to make predictions and asking them to point out features in the text. Following the words with your finger also helps them to learn to read from left to right and to continue onto the next line. Please feel free to ask me for further information and strategies that can assist your child’s development.
CULTURAL AWARENESS

At Dalkeith Primary School we value diversity of cultures and family traditions and encourage you to enrich our program with your customs. Together we can help children view their similarities and differences in positive ways and experience a community of diverse learners working together. If you have any family or cultural celebrations throughout the year that you would be happy to share with us please let me know how we could respectfully join with you to celebrate. Additionally if you have any cultural materials, stories, dance, songs, cooking or anything else that comes to mind we would be grateful to have you in to share with us.

PHYSICAL EDUCATION AND MINDFULNESS

Students will participate in a physical education program each Wednesday with Kids’n’sport. Please remember to send your child dressed in their white sports t-shirt, shorts and sneakers on this day. These lessons will aim to develop a multitude of fundamental movement skills and teach modified rules for sporting games and success. The skills learned play a key role in physical development and are linked to enhancing the strength and posture that is required for writing.

In addition to Kids’n’sport we will be running a Fundamental Movement Skills program throughout the week using a program that has been developed by Curtin University called Animal Fun. Animal Fun is an interactive, exploratory, non-competitive program that promotes physical and mental health and assists in the development of social skills.

This year the Pre-primary teachers will work together to develop a mindfulness program involving yoga, guided meditation and brain break activities. Research shows that regular brain breaks and mindful awareness help children to develop concentration and self-awareness. A half hour session each week will be dedicated to teaching mindfulness and yoga, which will then be practised during rest time after lunch each day.

EARLY CLOSE

Every Tuesday the school closes early to allow teachers to have meetings. Please ensure your child is collected promptly at 2:30pm so that the teachers can go up to the main school for meetings.

PARENT HELP

A duty roster will be placed outside the classroom ready to begin in week six. Please feel free to write your name on a day that suits you. When you are on duty you will be able to see your child at work and play and assist with the general running of our class. No parent help is required on Tuesday as we have art scheduled first in our day and it is early close. Each Friday morning we have assembly. We would love to have parent help in for Monday, Wednesday and Thursday mornings. If these times are not convenient for you, please come and speak to me and we can arrange an alternative time for you to assist in the classroom.

EXCURSIONS AND INCURSIONS

Excursions and incursions are a fun way for children to learn. We endeavour to have at least one excursion or incursion per term. Generally the excursions and incursions are related to the current theme or topic we are learning about in class. Parent helpers will be required for excursions. As all children love to have their parents on excursions, we ask that you only volunteer for one excursion to ensure each child gets a turn to have their parent with them.

CLASSROOM MANAGEMENT

In Pre-primary our aim is to establish and maintain a fun environment where children feel safe to learn, display a mutual respect for each other and are eager to participate. During the first weeks of Pre-primary we discuss and develop our own classroom agreement. We talk about why we need rules and
what might happen if we don’t have them. The children have developed a set of rules that focus positively on the ‘do’s rather than the ‘don’t’s’. These have been put up in the classroom and are enforced on a daily basis. The classroom agreements follow the 3R’s that are enforced throughout the school; Respect, Responsibility and Resilience.

Students who demonstrate positive behaviours will be rewarded a HooRRRah which will be placed in a box corresponding to the value that they have shown. These raffle tickets will be transferred at the end of each week to a whole school raffle that is drawn at virtues assemblies.

Students who do not follow the classroom agreements will firstly be encouraged to change their behaviour to positive ones.

- If the student continues to make negative choices then their name will be moved to yellow on the Traffic Light System and they will continue to be encouraged to change their behaviour.
- If the student continues to misbehave then their peg will be moved to red on the traffic light system and will be placed in a thinking spot. At the thinking spot the student will consider their actions and come up with a solution to the problem.
- The student will then immediately rejoin classroom activities and their peg will be moved back to green to signify that they are ready to display positive behaviour.

Each day is a fresh start. Most issues will be resolved in the classroom however, if inappropriate behaviour continues or is of a more serious nature you will be notified and asked to attend a parent/teacher meeting to resolve the issue.

**SUN SAFETY**

A strict ‘No Hat No Play’ rule applies at Dalkeith Primary School. Please ensure your child has a school hat every day. A bucket hat is compliant with school policy. Peaked caps do not offer sufficient sun protection.

Please apply sunscreen before school, especially on hot days and ensure your child has a drink bottle and a hat.

**HEALTHY EATING**

Please ensure your child brings a piece of fruit, healthy crackers, cheese, yoghurt or vegetables each day to eat for morning tea. Each child will need to bring a packed lunch and a water bottle to school every day. Please help your child to make healthy choices by providing them with nutritious meals – a small treat is acceptable, however lollies and junk food are not encouraged. Water bottles may be kept inside for students to drink throughout the day. The Pre-primary students will also participate in crunch’n’sip twice daily. We encourage you to provide only fruit and vegetables for this break. Please provide a separate container for this, which is clearly labelled with your child’s name. Please be mindful that there are some students in Pre-primary who have allergies to nuts and we would appreciate if your child’s lunch box could be nut friendly.

**BIRTHDAYS**

Due to our Healthy Schools Policy, birthday cakes are not allowed to be shared with students during class time. Should you wish to celebrate your child’s birthday with his/her class mates please feel free to bring a cake at home time and share it with the children outside in the playground.

**LAUNDRY**

A laundry roster has been placed up outside the classroom so please add your name to the list at least twice a year. Please ensure that towels are well dried and returned to school as soon as possible. The laundry bag will be sent home each Friday.
COMPULSORY REPORTING

Your child will receive a summative report at the end of semesters one and two. The report outlines your child’s achievement against the Australian Curriculum achievement standards. A comment containing specific information in regards to English, mathematics and social development will be included. Students will also participate in On Entry testing, which is compulsory for Pre-primary. This will be conducted early in term 1 to track progress. You will be given a copy of the report once testing is complete.

WORK SAMPLE FOLDER/KEEP SAKE

Your child will bring home a Work Sample Folder at the end of the year. This folder will contain work samples for you to enjoy and help you to see your child’s development across all learning areas. These folders are not a compulsory aspect of reporting in Pre-primary, however we choose to produce them so you have a wonderful keep sake.

CAFÉ DALKEITH/FROSTY FRUIT FRIDAY

Throughout the term the year 6 students sell homemade treats or Frosty Fruits as part of their fundraising program. All students are given an opportunity to purchase a treat for $1.00. Please see the term planner for Café Dalkeith/Frosty Fruit Friday dates and send some money with your child if you wish for them to be involved.

Please note students with allergies to food and nuts will be assisted in their purchasing. It is also a great idea to provide an alternative treat in their lunch box on this day.

TECHNOLOGY

The students will be exposed to a range of technology throughout the Pre-primary year. Students will use the interactive whiteboard and access programs such as Reading Eggs and Mathletics. iPads will be used in the classroom on a rotational basis. Students will use a variety of educational apps as a tool to enhance the learning program. They will also use the iPads to take photos and short video clips.

We are in the process of becoming an eSmart school. Students will be expected to use all forms of technology responsibly and we will be educating them about cybersafety appropriate to their age level.

Thank you for your time. I look forward to working with you and your child this year. Again, please do not hesitate to contact me should you have an issue you wish to discuss. It is best to do this before or after school as it ensures confidentiality.

Yours sincerely,

Celeste Cunningham
Pre-primary teacher
