DALKEITH PRIMARY SCHOOL

OUR MISSION STATEMENT

Strive for excellence
Respect and value others
Inspire creativity and innovation
Empower global citizenship

Together we shape the future

OUR SHARED BELIEFS

Kids learn best when:

Stimulating, meaningful experiences are provided
Technology and innovation are integrated in all learning
Reflection becomes a valued part of their learning
Inclusive and co-operative environments are provided
Visible Learning is embedded
Explicit feedback and encouragement is received
SCHOOL BOARD

The role of the School Board is outlined in the Education Act 1999. In essence, the role of the ‘Board’ is one of setting the long term future for the school and maintaining oversight (not management) of the school’s operation. The DPS Board aims to provide additional expertise to help the school achieve the best outcomes for our students.

The responsibilities of the Board are to:
1. work within the Department of Education’s relevant legislation and regulations;
2. contribute to the School Delivery and Performance Agreement and the Business Plan;
3. endorse and review the annual budget;
4. assist with the formulation of Codes of Conduct;
5. review the performance of the school;
6. create interest in the school within and across the community;
7. assist with Principal selection when a vacancy arises;
8. approve fees, charges, contributions and booklists;
9. approve extra optional components of programs;
10. approve arrangements for sponsorship and advertising; and
11. liaise with other committees within the school eg. P&C.

PARENT FUNDED 1:1 IPAD PROGRAM

The Australian Curriculum mandates the integration of Information and Communication Technology (ICT) and the use of digital technologies across learning areas.

Teachers at Dalkeith Primary School, over the past five years, have undertaken extensive research and trials with some of Australia’s leading experts in technology use and found that ICT enhances student outcomes and takes learning to levels not previously possible.

To enact this across the school Dalkeith Primary School launched the 1:1 parent-funded iPad program in 2015 in consultation with the school board and the community through parent forums. Students in years 3-6 are now required to bring an iPad device from home to use at school. School funded iPads are available for those families unable to participate in the program.

Students, parents and teachers that are in 1:1 iPad classrooms will also sign an iPad contract that is a partnership agreement. This addresses filming of individuals, screen time and the use of social media. This is signed in addition to the 3-6 Online User Agreements. These are included in the school diary and are signed by students and parents at the start of the year.

Parents have the option to purchase or lease an iPad in a comprehensive package that includes insurance, technical support and peripheral items from Winthrop Australia. Alternatively students can bring the device in from home. All iPad’s must have a robust cover, insurance and be an iPad Air or Mini (minimum iPad Air is recommended for screen size). There is a list of apps to be installed on the iPad at the start of the year which is available on the school website. Teachers may ask for additional free apps to be installed throughout the year but parents will not be asked to pay for any further apps until the start of the following year.

Parents have the option to store and charge student iPads at school should they wish. It is highly recommended for year 3 students to keep their iPads at school for first term to assist with their transition from year 2. It may be necessary to take the device home periodically to update and back up your child’s iPad. iPads provided by the school for student use will be managed by the school and remain in locked charger trolleys at school overnight. Showcase nights will be offered throughout the year to keep parents informed about how their child is using the iPad at school.

Parents please refrain from sending messages or emails to students during school time.

Please see the school website under For Parents>iPad Information for more information. Any enquires please email Tamara Doig or Sarah McCormick, Deputy Principal’s at
Dalkeith Primary School has a strong commitment to providing students with a 21st century contemporary learning environment. In addition to the 1:1 iPad program in years 3-6, there are MacBook Air laptop available for each classroom to use and access to a bank of 32 MacBook Air laptops. Each 1:1 classroom has an LED display panel with Apple TV for wireless mirroring of computers and iPads to the screen.

All kindergarten to year 2 classrooms are equipped with interactive whiteboards and PP-2 classrooms will have timetabled access to the MacBook Air laptops. K-2 will also have about 10 iPads in their classroom throughout the year.

All classrooms negotiate an iPromise statement that outlines the classroom technology agreement. This is in conjunction with the classroom agreement and the K-2 and 3-6 Online User Agreements. These are included in the school diary and are signed by students and parents.

Wireless access has been installed across the school with all classrooms having their own access points. This ensures that all classrooms are able to use technology with minimal disruption.

A Digital Leaders Program is in place for student technology leaders in years 3-6. Students apply through a digital medium. Successful students are trained in iPad technical help to assist teachers and other students. A contract is signed to ensure that students in the program are kept accountable. An iPad helpdesk will run periodically on the verandah to assist families with any technical issues that arise with their devices.

The National Quality Standard is the new benchmark for quality in children’s education and care services in Australia. It is based on comprehensive evidence from national and international research about how educators can best support and promote children’s learning. (http://www.earlychildhoodaustralia.org.au)

At Dalkeith Primary School we strive to provide a high standard of education in the Early Years (K-2). In 2015, staff at DPS began using the NQS documents as a basis for reflection and to engage in regular professional discussion with the aim of developing plans to help improve teacher practice.

The Standards are divided into seven Quality Areas:
· Educational program and practice
· Children’s health and safety
· Physical environment
· Staffing arrangements
· Relationships with children
· Collaborative partnerships with families and communities
· Leadership and service management

Over the past two years the staff have worked together to develop Quality Improvement Plans (QIPs) for five of the above Quality Areas; Educational Program and Practice, Physical environment, Relationships with children, Collaborative Partnerships and Leadership and service management. The review and improvement process is ongoing. In 2017 we aim to reflect upon and develop QIP’s for Children's health and safety and Staffing arrangements whilst continuing to improve in all areas of our practice.
HOMEWORK

Homework is academic work designed to extend the learning, practice and application of skills and ideas taught in the classroom. Homework supports the development of the student as an independent learner providing an opportunity to learn skills such as time management, perseverance, goal setting and critical thinking.

HOMEWORK RESPONSIBILITIES OF STUDENTS

Students are responsible for:

- completing work at a standard commensurate with their ability
- completing work independently
- submitting work on time
- communicating with teachers and parents when assistance is required.

HOMEWORK RESPONSIBILITIES OF PARENTS

Parents are responsible for:

- supporting students with their work
- communicating high, realistic expectations on the standard of work
- communicating with the teacher any concerns arising
- ensuring that students know ahead of time when homework should be completed each night.

The following is a guide to the types of homework likely to be provided at Dalkeith Primary.

YEAR 1-3
Home reading of teacher provided books
Home reading of individual choice books
Learning of spelling words
Mental math activities reinforcing number combinations and processes
Collecting simple data (eg record what you ate for dinner) to support class work
Mathletics tasks assigned by teacher

YEAR 4-6
As for year 1-3
Finishing off class work not completed during the school day
Research to support class work or study projects
Planning or refining draft work commenced in class
Weekly assignments or activities reinforcing concepts currently being taught in class, or providing remediation or extension of skills and concepts learnt in class

Music practice for those students involved in the SIM program is in addition to class homework.

SOME ADVICE TO PARENTS

- Children need the opportunity to play and relax after school.
- Homework is best done at a quiet time set aside for homework completion.
- Typically, children will become more independent in completing their homework as they reach middle / upper primary.

The time spent on homework depends on the child and homework set for that week. As a general guide junior primary students may spend between 5 and 15 minutes each night, middle primary 20 minutes and upper primary students approximately 30 minutes a night.

READING

Reading plays an integral part in all aspects of learning. It is important to encourage reading of all text types and check for comprehension of the written word. It is requested that you continue home reading
of at least 15 minutes each night and sign the homework diary. Junior students have selected home readers from their teacher while senior students are to independently select suitable texts for home reading.

To help your child with reading:

- Have a routine of reading every day with most oral reading done by the child. This can be accompanied by oral reading by you where you become the role model. This is one of the best ways of developing lifelong positive attitudes to reading and an understanding of print and books.
- Praise every effort in reading, especially where confidence is low. Don’t compare a child’s performance with that of relatives or friends.
- Be seen as a reader yourself. Take the family to the local library. Help in selecting books but resist the temptation to impose your own choices.
- Give books as presents.
- Encourage the routine of reading in bed before lights out.
- Encourage good use of the school library and ask “What have you borrowed this week? Would you like to read some of it to me?”

Reference: Parents Teachers Partners by Barry Dwyer

Further:

- Provide a suitable reading environment that is quiet, comfortable, and relaxing for both you and your child and free from interruptions. Reading time should be enjoyable, interesting, passionate, and full of opportunities to praise your child.
- Encourage your child to guess what the story is about.
- Praise when your child suggests an idea or word that you know will come up in the story.
- Ask questions like: “What can you tell about the story from the picture?” “What do you think will happen in the story?”
- Talk about the start of the story, what happened by the end of the story, the people in the story.
- Mention the person who wrote the story – the author and the person who did the illustrations – the illustrator.
- Make sure that whenever your child reads, it is a complete story, chapter or thought.

Extract from READIT Home Reading Middle Level p. 11 and 15.

MATHEMATICS

To help your child with primary school maths:

- Maths is about understanding number patterns.
- Saying “I was bad at maths too” lowers children’s own expectations of themselves.
- There is always more than one way to get the right answer.
- Mental strategies, for example using number lines, to work problems out in their head.
- Ask “What is the question asking you?”
- Practise the times tables.
- Don’t jump in with the answers.
- Stay positive and encourage think time.
- Talk positively about maths so your child also values it.
- Play games with your child, which involve adding dice or numbers.
- Ask your child how they work out maths problems; it helps them reflect on their strategies and boosts their confidence.
- Point out maths in everyday life with your child whenever you can.
- Talk to the teacher if your child needs more help with homework.
- Provide some concrete resources at home, for example counters, to help with maths tasks.

HOMEWORK DIARIES

Year 1-3 students are requested to buy a homework diary to assist students, parents and teachers with communication between home and school. The students will fill out the diary each day with assigned
homework and any notes or communication for parents. It is expected parents will sign the diary once a week and use this diary in addition to e-mailing as a form of communication. Students in year 4-6 will be using their iPads as a diary to assist in developing their independent organisational skills. Students will be explicitly taught how to use notifications and reminders that will alert students of homework and school requirements.

### ATTENDANCE

Attendance of students, in years PP-6, is compulsory. It is expected that all students attend a minimum of 90% of the school year. At Dalkeith Primary School we strive for a target of 96%. In order to achieve this we encourage parents to:

- carefully plan holidays to avoid clashes with school term dates
- ensure punctuality as lateness is recorded
- schedule appointments outside of school hours

All absences require written or verbal confirmation from parent to teacher. Excessive absences will be followed up by administration.

If your child is absent from school we request you send an **SMS to 0417 948 524** (automated service) as early as possible and leave a message stating:

- Your child’s name
- Room number
- Reason for absence

**Late arrivals**
Parents and caregivers must sign students in at the front office if arriving after 9am.

**Early Departures**
Parents and caregivers must sign students out at the front office if departing before 3:10pm.

**Extended Vacation**
Families who take vacations for longer than are week are asked to inform the Principal via email prior to the vacation.

**DAILY TIMETABLE (Years PP-6)**

- Classroom opens: 8:40am
- Start Instruction: 8:50am
- Morning recess: 10:50am to 11:10am
Lunch  1:10pm to 1:50pm
School closes  3:10pm
School closes for PP  3:05pm
School closes for Kindy  3:00pm
EARLY CLOSE EVERY TUESDAY  2:30pm

Before School Supervision
Students who arrive at school before 8:20am are asked to sit on the verandah in front of the administration block. At 8:20am the duty teacher will release the students to participate in supervised fitness activities until classroom doors open at 8:40am.

After School Duty of Care
The school does not provide supervision for students once they have left the classroom therefore we ask that parents note that students may only use the school playgrounds under parent supervision.

Kiss and Drop Parking Zone
A section of parking on the northern side of the school is now a Kiss’N’Drop zone between the hours of 7:30-9:00am and 2:30-4:00pm. The zone will be supervised by staff to ensure the safety of the students both before and after school. Parents are asked to stay in their car whilst parked in the zone during these times.

Out of Hours School Care
Camp Australia provides both before and after school care on-site; www.campaustralia.com.au

PUNCTUALITY
Parents are asked to ensure that children are at school prior to the siren at 8:50am. It is important for parents to exit the Pre-primary prior to 9am for the start of instruction. Parents are asked to ensure that children are collected or leave the school grounds promptly after school unless special arrangements have been made by parents or teachers.

TERM DATES
Please note that term dates may differ from other public schools. As an IPS school, we have planned student free days throughout the school year to meet the needs of our community.

| Term 1 Commences:       | Tuesday 1 February to Friday 7 April 2017 |
| Term 2 Commences:       | Wednesday 26 April to Friday 30 June 2017 |
| Term 3 Commences:       | Monday 17 July to Friday 21 September 2017 |
| Term 4 Commences:       | Tuesday 10 October to Thursday 14 December 2017 |

STUDENT FREE DAYS 2017
Monday  30 January
Tuesday 31 January
Monday 24 April
Friday 18 August
Monday 9 October
Friday 15 December

SPECIAL EVENTS 2017

 Semester 2 – 11 December

PUBLIC HOLIDAYS
Labour Day 6 March Good Friday 14 April
ANZAC Day 25 April Easter Monday 17 April
WA Day 5 June
Queen’s Birthday 25 September

STUDENT BEHAVIOUR POLICY

Dalkeith Primary School is currently reviewing and updating its student behaviour policy in accordance with the Department of Education’s Policy.

RATIONALE

Dalkeith Primary School provides every student with the educational support the student needs to learn and maintain positive behaviour.

The student behaviour procedures that accompany the policy will:
- document a whole school plan to support positive student behaviour;
- implement the whole school plan to support positive behaviour; and
- provide individual student behaviour support where the need is identified.

POSITIVE BEHAVIOUR SUPPORT PROGRAM (PBS)

In 2015 Dalkeith commenced the PBS initiative. Through the program the school decided upon three expected behaviours:

RESPECT, RESPONSIBILITY, RESILIENCE

The following expected behaviour matrix is in draft form and forms the basis of behaviour management. It will be reviewed at the end of term one.

EXPECTED BEHAVIOURS MATRIX

<table>
<thead>

- Put your hand up to be dismissed at lunchtimes  
- Use toilets appropriately  
- Keep your hands and feet to yourself  
- Be respectful of others and their games  
- Take turns and give others a go  
- Take care of our grounds and gardens | - Wear the correct uniform  
- Use courtesy words (please, thank you, excuse me etc)  
- Wear hat outdoors only  
- Hands up to speak  
- Show respect towards all people; helpers, guides, members of the public  
- Respect the environment you are in  
- Use quiet voices  |
| | - Play inside the boundaries  
- Ask permission before retrieving equipment  
- Be sun smart – wear your hat  
- Zip your bag and hang it on the hook  
- Line up quickly and quietly  
- Report unsafe behaviour  
- Use the toilet during break times  
- Play safely  
- Use the recycling and litter bins | - Return permission slips on time (by the deadline)  
- Walk with your group  
- Follow instructions the first time you are given them  
- Bring everything you need  
- Look after your belongings  |
| | | - Persevere with all tasks  
- Ask for help  
- Seek solutions  
- Set, work toward and reflect on goals  |
| | | - Seek help If you have a problem  
- Agree to and follow the rules  
- Use the friendship bench  
- Be a problem solver  
- Join in  
- Have fun  
- Make safe choices |

**CODE OF CONDUCT**

Parents and carers are asked to refer to the Code of Conduct for Carers on the Dalkeith Primary School website.

**PREVENTING AND MANAGING BULLYING**

Dalkeith Primary School aims to offer a safe, caring and inclusive learning environment. All members of our school community are committed to ensuring a safe and supportive environment where all members have the right to be respected and have a responsibility to respect each other. We treat bullying as a serious issue.

**WHAT IS BULLYING?**

Bullying is when an individual or group misuses power to target another individual or group to intentionally threaten or harm them on more than one occasion.

**TO PREVENT BULLYING**

- Treat others with care and respect.  
- Work to create an inclusive school environment for all.  
- Learn to tolerate and accept individual differences.  
- Understand your rights and responsibilities
PARENTS CAN HELP

TAKE AN ACTIVE INTEREST
• in your child’s social life.
• in what is happening at school.

ENCOURAGE YOUR CHILD
• to bring friends home.
• to accept and tolerate differences in others.

BUILD THEIR SELF-CONFIDENCE
• by recognising and affirming their positive behaviour.
• by valuing them for who they are.

DISCUSS WITH YOUR CHILD
• the school’s expectations about rights and responsibilities.
• ways to respond if their rights are infringed.

ENCOURAGE CONSTRUCTIVE RESPONSES
• all types of bullying should be reported.
• hitting back or retaliating with negative behaviour won’t solve the problem.

SET AN EXAMPLE
• be firm but not aggressive in setting behaviour limits.
• be positive in things you say and do.

BE ALERT FOR SIGNS OF DISTRESS
• unwillingness to attend school.
• dropping off in academic performance
• damaged clothing and frequent loss of personal property.
• loss of confidence and uncharacteristic mood changes.
• withdrawal from social activities.

ACT
• if your child is being bullied at school report it to the teacher – do not approach other students.
• your report will be followed up.

NUT AWARE POLICY

RATIONALE
Nut allergies are real. Currently there is no cure for nut allergies. Avoidance of the food is the only way to prevent a reaction. 1:20 children suffer from food allergies and some of them will experience a life-threatening (anaphylactic) reaction.

We have a number of students who are allergic to nuts and are subject to an anaphylactic reaction.

PURPOSE
In an effort to provide a safe environment for students with allergies to nuts, Dalkeith PS is seeking the support of the whole school community to help make our school nut free by ensuring sandwiches, cakes, slices, biscuits, muesli bars, chocolate bars, dips and dried fruit and nuts are not bought to school.
HEALTHY FOOD AND DRINK POLICY

PURPOSE

Dalkeith PS is committed to creating an environment that promotes learning and teaches good eating and physical activity patterns for long term health.

Dalkeith PS is well placed to support healthy eating and reinforce nutrition messages being taught in the classroom by modelling healthy food and drink choices that are tasty, interesting and affordable. Along with the requirement that students participate in a minimum of two hours of physical activity, the healthy food and drink policy is another step in ensuring our children are fit and healthy.

Implementation Strategies:

1. Classroom rewards not to include food.
2. P&C lunches to include food choices from Green and Amber.
3. Class parties and special celebrations - parents to provide food from Green and Amber.
4. Curriculum activities including food (eg. cooking, excursions, camps) to be selected from Green and Amber. If foods from Red are required for a specific purpose, written parent/caregivers permission to be sought (see letter to parents/caregivers appendix).
5. Birthday cakes not permitted during the school day.
6. Parents/caregivers are encouraged to follow traffic light system when packing lunchboxes.
7. Information provided to parents/caregivers through newsletter.

Dalkeith Primary School has an online lunch ordering system that complies with the school’s healthy food and drink policy. Further information can be found at www.schoollunchonline.com.au

CRUNCH AND SIP

‘Crunch & Sip’ encourages students to eat fruit or salad vegetables and drink water in the classroom. Dalkeith Primary School has introduced ‘Crunch & Sip’ to support students to establish healthy eating habits whilst at school.

The objectives of the ‘Crunch & Sip’ are to:

1. Increase awareness of the importance of eating fruit or vegetables and drinking water every day.
2. Enable students, teachers and staff to eat fruit or vegetables as ‘Crunch & Sip’ in the classroom.
3. Encourage students, teachers and staff to drink water throughout the day in the classroom, during break times and at sports, excursion and camps.
4. Encourage parents to provide students with fruit or vegetables every day.

The Dalkeith Primary School’s Dress Code has been developed to promote a positive image of the school and to create a sense of identity amongst students.

The code has been developed by School Board in consultation with students, teachers and parents. Students are expected to comply with the Code as they are expected to comply with other school rules i.e. classroom behaviour, absences, bullying etc.

Acceptance of enrolment at Dalkeith Primary assumes an agreement between the parent/guardian and the student to conform to the Code.

Jewellery:  
In the interest of safety and to minimize potential loss, jewellery should be kept to a watch and stud earrings.

Makeup:  
Makeup and/or coloured nails are not appropriate.

Hair:  
Hair should be neatly groomed and kept out of eyes. Longer hair should be kept tied back.
LANGUAGES – JAPANESE – LOIS BARNDON

All students in years 3-6 at Dalkeith Primary School study Japanese for an hour each week. This hour is spent learning the basics of the language, and is a busy time. I ask that students are organised to start work as soon as they enter the classroom. This means they have done their home practice (from Hiragana in 48 Minutes), that they have their Japanese file and exercise book, their iPads and a 'fully loaded' pencil case - a writing pencil and a spare, eraser, sharpener, ruler, glue, scissors, highlighter, fine-liner, coloured pencils and textas. It is also good if they bring a drink bottle to minimise the time they spend out of the room.

Japanese lessons follow a similar format at all levels. We begin with greetings and Japanese songs to practise pronunciation and intonation, then we proceed to a drill of the hiragana characters. After that we may spend time writing, reading and/or practising oral speech. Part of the lesson usually has some cultural input.

iPads have become significant in Japanese to practise the script (hiragana) and for research. Students will take a snapshot of all tasks completed on their iPads and save them in a Japanese album, to build up a portfolio to add to the other learning they do over the year. A very useful app for practising hiragana is called ‘Kana Trace’, but there are others which do a similar job. Parents may wish to download this app to assist with language development.

Parents are sometimes disappointed that their children don't speak a lot of Japanese. At the beginning stages of learning a scripted language, this is very normal. Japanese Hiragana has 45 basic characters and 25 modified characters. Until students have recall of these and a large vocabulary plus a significant amount of grammar, oral speech will be limited. Therefore, Ms Pekin and I have agreed that until Yr 5, the common written language will be romaji, which is the use of roman letters to represent Japanese sounds. Please be patient - the languages curriculum is a continuum of learning and extends beyond primary school. Each student will be given the opportunity to present in front of the class or at an assembly this year. They may not wish to speak in public when they start studying Japanese, but I will endeavour to develop their confidence and repertoire over time.

My email address is: lois.barndon@education.wa.edu.au. You are welcome to contact me with any concerns.

Barndon sensei

MUSIC – BROOKE MILIANKU

All students from Pre-primary to year 6 participate in weekly classroom music lessons. Students are taught from the Western Australian Curriculum for Music. Strands include: Making and Responding.

ORCHESTRA YEAR 4-6
Orchestra rehearses on Thursday mornings from 7.45-8.45am. The orchestra includes violin, viola, cello and double bass. All students who learn through the SIM program are expected to join and be committed members of orchestra. Any student in year 4-6 who has approximately one year’s playing experience is eligible to join orchestra.

CHOIR YEAR 4-6
All year 4-6 students will participate in unison singing within classroom music and will perform together as a choir at school events such as the ANZAC Service and Graduation Ceremony etc.

EXTENSION CHOIR YEAR 4-6
In 2017 there will be extension choral program for year 4-6 students. This choir seeks to engage students who show a passion for music and will perform at out of school events such as the WAGSMS
Concert series at the Crown Theatre. The extension program rehearses twice a week: before school on Wednesdays from 7.45-8.45am and on Friday lunchtimes.

YEAR 3 CHOIR
Choir is embedded into weekly classroom music lessons and will involve all students in year 3. Room 6 and room 7 will combine and perform in the Children Sing Festival in term 2. The aim is to develop unison singing and beginning exploring harmony.

YEAR 2 CHOIR
Choir is embedded into weekly classroom music lessons and will involve all students in year 2. Room 3 and Room 5 will combine to perform at various community events. The aim of year 2 choir is to develop unison singing.

Brooke.milinaku@education.wa.edu.au

PHYSICAL EDUCATION – LES THOMPSON

I am the PE teacher for all year 3-6 students and I will be at school every Thursday and Friday to teach your children. I have been a teacher for over 25 years and I am passionate about all sports and fitness and I look forward to working with your children this year. Please remember to send your child appropriately dressed and ensure your child has a drink bottle and a hat on these days. It is really important that if your child is unable to participate in their PE lesson that you email me directly at les.thompson@education.wa.edu.au and also let the classroom teacher know.

We have a whole school focus on building up the students' fitness this year together with all their other sporting and teamwork skills. Each term there will be a fitness Beep Test and the students' will set their personal goals for the term and for the year.

Throughout the year we have many training opportunities and carnivals and I rely heavily on parents for assistance and support. So when the time comes, feel free to email me your availability or if you have any other questions or queries please don’t hesitate to get in touch.

Thank you and best wishes.
Les Thompson

PHYSICAL EDUCATION – KIDS’N’SPORT

Students in P-2 classes will participate in a Kids ‘n Sport session each Wednesday as part of the physical education program. Kidz ‘n sport will be focusing our attention to the following skills:

- Catching – static and moving
- Throwing – static and moving
- Running- basic techniques to enhance speed including relay carnival races with baton changes
- Agility – being able to change direction when running
- Teamwork
- Listening skills
- Persistence and determination
- Self confidence

Our amazing range of activities and equipment helps us keep the children engaged at every lesson.

Please remember to send your child dressed in their white sports t-shirt, shorts and sneakers on this day. Apply sunscreen before school, especially on hot days and ensure your child has a drink bottle and a hat.
SCIENCE – SARAH FIEL AND BROOKE MILIANKU

We have two science specialists at Dalkeith Primary. Leading the junior primary is Sarah Fiel (P-2) and the upper primary (3-6) is Brooke Milianku. Both are experienced science teachers who teach all lessons from the Western Australian Curriculum.

The focus for science across all years is the inquiry process. This underpins all topics and is the basis for all our investigations. The inquiry process supports the four topic areas of physical, earth and space, chemical and biological science. For 2017, as a whole school we will be reporting on earth and space and the inquiry process.

Sarah.fiel@education.wa.edu.au
Brooke.milianku@education.wa.edu.au

VISUAL ARTS – JANICE TESSER

My name is Janice Tesser and I will teach the visual art program for P-6 students. Every class will take part in one hour of visual art per week.

Students will participate in an engaging program developing a wide range of skills. They will learn various aspects of visual art including; clay work, drawing, painting and construction which will embrace the wide diversity of arts from other cultures.

They will learn about various artists and aim to recreate work using similar techniques. Students will make use of iPads to create multimedia art pieces through various apps and programs. Students are always encouraged to express their creative thinking ideas and skills and appreciate and value the worth and importance of art as it surrounds them and influences their choices.

Students are expected to respect the art room environment by behaving in a courteous and encouraging manner.

The year 3-6 classes are required to have a visual art diary that must be brought to each lesson. They will be given a task each week to complete in their diary. All students are required to wear an art shirt to protect their school uniform.

Looking forward to an exciting year in the visual art field.

Janice.tesser@education.wa.edu.au

CURRICULUM SUPPORT PROGRAMS

Dalkeith Primary School currently offers Early Years Enrichment, STEM enrichment and MiniLit and MultiLit literacy support programs. We use a combination of standardised assessments and teacher recommendation to gauge student suitability for the programs. The enrichment programs are funded by the school. The literacy intervention programs are funded by the P&C Association. Parents are notified if students are offered a place in these programs.

Selection for extension/remediation programs such as MiniLit, MultiLit, STEM and the Early Years Enrichment are based on set criteria and assessments. We try to give access to as many eligible students as possible throughout the year therefore the students that are scheduled into these programs are on a fixed term basis. There is no preference given to the order in which students attend any withdrawal programs.
CLASSROOM PHILOSOPHY/ PRACTICE

We currently have 25 students in the class. The seating arrangement is flexible and children may be seated to meet their learning needs, by personal choice, for the requirements of a particular activity and to learn to work cooperatively with every other child in the class. Seating is rotated every two weeks. Please advise me of any special seating requirements that your child may have or need.

My teaching and learning program is based on the Western Australian Curriculum. The children learn across the learning areas of English, maths, History and Social Sciences, the arts, science, health and physical education.

The learning is child centred, and may also involve negotiated curriculum and self reflection. I believe strongly in developmental learning and my teaching and learning programs are also based around this philosophy. Learning should be engaging, fun and relevant.

Your child's education involves three stakeholders: your child, the school and you, the parents.

BEHAVIOUR MANAGEMENT

Behaviour management in our classroom follows the expected behaviour matrix of the School Behaviour Management Policy. This includes playground and classroom agreements that enable all students to feel safe while learning and playing. Our goal is a positive classroom environment where students, staff and adults are aware of their rights and responsibilities.

HOMEWORK

Reading
It is most important that children read regularly- a minimum of five nights per week. However if you wish to read every night, that is fantastic! Children in year one must be read to, read with and also allowed to read orally. Remember, enjoyment must be the overriding consideration.

We constantly focus on oral retelling of stories and reading for meaning. Please discuss with your child, the characters in the story, the setting/s, the kick off, the events in sequence and the ending. Please complete your child’s reading log/journal nightly and return your child’s reading bag every day. You will need to find the time most suitable for your child to complete their home reading/homework. Homework will usually take about 30 minutes.

Mathematics
Maths homework is Mathletics and activities that support our current units of learning.

Spelling
I ask that your child practise their spelling lists as they are made available to your child.

DUTY OF CARE

I usually arrive at school by 7:30am, however, because of duty of care, the school requests that you do not send your child to school before 8:20am. The classroom is open from 8:40am onwards. Your child is expected to exchange their night book, put their Crunch and Sip on their table and prepare for the commencement of the school day. It is most important that your child arrives at school in sufficient time to prepare for the day.
CONTACT INFORMATION

It is most important that you update your child’s contact details when necessary. Please see the School Officer to change any necessary information including change of address, contact numbers, emergency contact names and medical information.

REPORTING TO PARENTS

As part of the Department of Education’s reporting policy, the children will receive two summative reports in July and December. A parent interview day will be held in term one. Please know that you may request a meeting at any time to discuss your child’s learning and development or any aspect related to your child’s education. I am available for parent meetings before school at 7:30am, during DOTT time as per my timetable or after school (excluding Thursday). Please contact me in advance if you wish to arrange a meeting.

COMMUNICATION

Parent and teacher communication is encouraged and can involve a variety of approaches. Parent interviews are welcomed and a time can be arranged with me.

I use both the whiteboard outside my classroom, e-mails, speaking with you personally and personal notes to relay messages and information to parents. Please take the time to read the board DAILY, during drop off and pick up as the messages may change throughout the day. See me if you need more clarification of any information written on the board. More important information is usually sent home via a note and can be found in your child’s night book bag. Please hand any notes to me personally or pop them into your child’s reading book bag.

CRUNCH ‘N’ SIP

I encourage children to have a bottle of water (Sip) on their table for personal use and to bring along a container of Crunch to be consumed in class, during the day. The food must be a healthy snack fruit and vegies and must be cut into portion sized pieces. Please have all food pre-cut, no wrappings, and peeled if required. This food should be packed separate from, and in addition to recess and lunch foods.

WASTE- FREE ROOM

As part of the school’s compliance with the National Quality Standards, our room will continue to be a waste-free classroom in 2017. I ask that you support us in this venture by ensuring that all food is packed without wrappings. Lunchboxes with compartments are ideal.

BUDDIES

We run a program between the year one classes and the year six classes. We meet every second Friday to participate in partnership activities. This program enables the year one children to develop a friendship with an older child. They also have someone they may go to in the playground if they are unable to find a duty teacher. It also gives the older Buddies a sense of responsibility towards the younger children in the school.

BLUEARTH

In 2017 we will again be engaging in the Bluearth program. This program is designed to strengthen cooperative skills, intra personal skills and core body strength by engaging in movement, play and reflection. We will be participating each Monday afternoon. Your child will be required to wear their white sports uniform on this day.
CLASSROOM TIMETABLE

As our classroom timetable changes regularly, I will distribute updated copies as required. A copy of the current timetable is always posted on the front board in the classroom for your reference.

PARENT HELP

Parents are invited to join in their child's learning experiences by participating in classroom help. You are invited to add your name to the weekly roster and join us as regularly as you wish. This invitation is also extended to other family members including grandparents and relatives.

CAFÉ DALKEITH/FROSTY FRUIT FRIDAY

Throughout the term the year 6 students sell homemade treats or Frosty Fruits as part of their fundraising program. All students are given an opportunity to purchase a treat. Please see the term planner for Café Dalkeith/Frosty Fruit Friday dates and send money with your child if you wish for them to be involved.

Please note students with allergies to food and nuts will be assisted in their purchasing. It is also a great idea to provide an alternative treat in their lunch box on this day.

UNIFORMS

Monday - Sport shorts and white shirt
Tuesday - dress/grey shorts and garnet shirt
Wednesday - sport shorts and white shirt
Thursday - dress/grey shorts and garnet shirt
Friday - sport shorts and house shirt

Regards,

Lynne Hamilton
Year 1 Teacher
