The iPad Partnership Agreement is a contract between parents, teachers and students. It is to ensure that all parties work together so students become active and responsible digital citizens and users of technology.

STUDENT

- I will download the Cybersafety help button and use it if I feel unsafe.
- I will not film/record other individuals without their permission or knowledge.
- I will not use social media at school or home without teacher/parent permission and when given permission I will use it appropriately. i.e. Line, FaceBook, Instagram, Skype.
- I will not use AirDrop without teacher permission.
- I will not download applications/content without teacher/parent permission.
- I will not use my iPad before or after school or during breaks without permission.
- I will not intentionally cause damage to my iPad or another student’s iPad.
- I will not use another student’s iPad without first asking permission.

I understand that I must follow the agreement above to ensure that I am able to use my iPad at Dalkeith Primary School and at home. I understand that if I do not adhere to the agreement I may lose the privilege to use it for a period of time or permanently.
