Congratulations! Well Done!
Champion School - 1st Place
A Division Regional School Swimming Carnival
Dear Parents and Carers,

What an amazing day we had today celebrating Harmony Day across the school! A big thank you to Miss Wholohan who did a fantastic job of organising all the wonderful activities and incursions. Harmony Day is a day where we can acknowledge and celebrate all the different cultures that are represented in our school and our community. It was also a wonderful opportunity for our classes to show case their amazing sculptures. As I walked around today to have a look, I felt like I was walking around an art exhibition in a major city! The sculptures are incredibly well constructed and really reflect the country of each classroom. Well done to the staff, parents and especially the students for their creativity, construction and installation of these amazing sculptures!

To honour all service men and women who have represented our country in times of war and conflict, we will conduct an ANZAC service on Friday morning starting at 7:30am sharp. Students are asked to come dressed in full school uniform and may bring flowers from home to lay at the flag pole. Students can also wear medals of forebears on the right breast (in keeping with protocols). The service will be followed by a breakfast for guests on the verandah. Breakfast for the students will also be available in the undercover area straight after the service. Don’t forget that school will finish at 1:40pm on Friday due to the early start for the ANZAC service.

Next term we look forward to another productive term of special events and learning opportunities. NAPLAN testing will take place in Week 3, Choose Maths support will begin for some of our teachers and classes, Apple Coaching will continue for a group of teachers who are part of this and Dr Paul Swan will re-visit our school and present another wonderful Maths workshop. Student reports will be sent home at the end of Term 2 and parent interviews will take place in week 10 of term 2. Miss Milianku is taking leave for the first 5 weeks of term 2 and will be replaced by a Science specialist (Mr Porter), and Mrs Tesser and Mrs Cull—who will continue the Music program with all classes. We wish Miss Milianku all the best for a well-deserved break.

The staff and I would also like to sincerely thank Carissa Ellis for all her hard work over the past year as registrar at Dalkeith Primary School. We wish Carissa all the very best in her change of role as a new mum! Hopefully there will not be too many sleepless nights!

I wish all the students, staff and parents a wonderful holiday and I look forward to seeing you all in Term 2!

ANZAC DAY SERVICE – FRIDAY 8TH APRIL 2016

Dalkeith Primary School’s Anzac Day service will take place this Friday 8th April. The service will start promptly at 7:30am we therefore request that students arrive by 7:20am at the latest. **Students are to wear Summer Uniform rather than sports uniform on the day. Year 5/6 choir members are asked to wear black shoes.** Students can bring a small bunch of flowers to place at the base of the flag pole. Students who arrive late are asked to get themselves a chair from the undercover area and quietly move to their class group. At the conclusion of the service, breakfast will be provided for students. There will also be a community breakfast for parents and special guests on the verandah. Due to the early start, **school will finish at 1:40pm.**

INTERSCHOOL SWIMMING CARNIVAL

A huge congratulations to our inter school swimming team on their solid win at Wednesday’s carnival. It was fantastic to see such great results and sportsmanship from all our swimmers. A special mention must go to Myvanwy Reading and Suzy Hyde for training many of our swimmers for the months leading up to the Carnival and thank you to Myvanwy and all our staff for supporting our team on the day from the pool deck.

POSITIVE BEHAVIOUR IN SCHOOLS

Our fortnight’s focus

**Responsibility**

| Our school community | • Be prepared and punctual  
|                     | • Bring and return required equipment  
|                     | • Pack resources away neatly  
|                     | • Model good behaviour  
|                     | • Take ownership of your actions |

Students attended an incursion from the Seedlings project. The focus for the talk was importance of friends and being friendly. The big message for students was how to tell the difference between bullying and friendship issues.
SCULPTURES BY DALKEITH

You may have noticed some new additions to the landscape around Dalkeith Primary School. Sculptures by Dalkeith is on again this year. Each class chose a country to study as a part of our Harmony Day celebrations and then designed a sculpture to reflect their country. Students, teachers and parents then brought the sculptures to life using recycled materials. These sculptures will remain on display until Friday. Community members are invited to vote for their favourite sculpture in the People’s Choice Awards. Voting slips are available at the front office. The winner will be announced at the first assembly of term two.

Today the school celebrated Harmony Day and what an amazing, fun-filled day it was. All classes performed a song or dance at an assembly this morning before heading off to different stations. We had an African Drumming incursion, Aboriginal art, origami, Indian Diwali lantern making and plate decoration. Students and staff were also able to order sushi hand rolls for lunch. A big thank you to the organiser, Candice Wholohan, staff who presented at each station, Miss Mil for the World Music assembly and parent helpers. It was a great event that showcased the cultural diversity of the school community and carried the message of many different cultures living together in harmony.
WESERT FORCE VISIT

The year 3-6 students were lucky to have the Western Force visit on Friday and they certainly put the kids through their paces. They'll be back again for more skills and practice this Thursday and Friday.

LOST PROPERTY

There is a large amount of lost property that has accumulated over the course of this term. All items will be displayed on the verandah after school on Wednesday, Thursday and Friday this week. Please take the time to check the items. Any items left over will be donated to charity or the uniform shop. We urge you to clearly name everything sent to school to avoid items being sent to lost property.

WORLD’S GREATEST SHAVE

Congratulations to Team Dalkeith whose current sponsorship total is $9744. The donation page is still open for those who wish to donate.
DIGITAL LEADERS

The Digital Leaders program is in its third year at Dalkeith Primary School. The initiative is designed to give selected year 3-6 students a chance to develop their leadership skills, assist other students and teachers with technology, build their own skills and help to showcase the amazing work being done by students in the school with ICT. Students were asked to submit a movie, presentation, digital book or game that they coded themselves to demonstrate their digital proficiency. There were some amazing submissions including games coded using Hopscotch, informative and fantastic multimedia presentations created using iMovie and Book Creator. This year the digital leaders will also help run a blog to share the projects students are working on in each year level with their iPads. We have a fantastic team of senior digital leaders in year 5 and 6. These students will take on extra leadership responsibilities by coaching and supporting their younger digital leaders in year 3 and 4. Congratulations to the successful students.
