Message from the Principal

Dear Parents and Carers,

What an outstanding performance last night from our amazing Year 5/6 students in the Time Travellers!! If you haven’t already been to see this incredible performance, then do yourself a big favour and get a ticket for the finale tonight. You will be utterly bedazzled by the acting, singing and dancing of our very talented students!

Of course these things don’t happen without the incredible passion and commitment of staff and community. A huge thank you to:

Lisa Iannello, Nicole Hughes, Roger Glanvill, Shauni Redmond, Brooke Miliamku and Janice Tesser and Shanee Sekhom for all their expertise and input into the drama, visuals and music.

I would like to extend a massive thank you to Alex Vines, who gave up so much of her own time to come in and assist us to hone the acting skills of our wonderful cast. Thank you also to ‘Johnno’ who controlled the stage lighting for us.

Behind the scenes, we had fantastic support from many parents and family members who assisted with props, costumes, make-up and filming. Many thanks to:

Maxi Loik, Kathryn Court, Rachael Watson, Priscilla McLellan, Jo Love, Verran Fehlberg, Melissa Ziepe, Matt Crawford, Mel and Millie Cooney, Michelle Parsons, Kirsty Docherty, Almut Winter, Myvanwy Reading, Tina Sladen, Justin Robson and Brittany Reading. Your assistance and contributions put the professional touches to our production and made it absolutely fabulous - so thank you!

Many thanks also to the C3 Church for allowing us to use their lovely venue to host our production.

I look forward to seeing many of you there at our last performance tonight. It is going to be a thriller!

Suzanne Pekin
Principal

Together we shape the future
Tonight is the last chance to see the spectacular production TIME TRAVELLERS

Buy your tickets at the office to ensure a seat.
Limited tickets available at the door.
The focus for the fortnight is:

‘Be respectful of others and their games’

This semester the school is focusing on one expected behaviour every two weeks.

This particular behaviour is part of

Respect our school grounds

PBS

This semester the Pre-primary students have been communicating with Yandeyarra Remote Community School. We have sent videos to one another introducing ourselves. We have also written and received hand written letters and photographs. We have been learning about our respective schools and communities.

Yandeyarra is a remote school in the Pilbara with only 40 students from Kindergarten to year 12. They currently have a shortage of short chapter books in their school library and take home reader collection. We would love to help them out and as such have decided to collect pre-loved books to send their way.

If you have any pre-loved short chapter books that you would be happy to donate there will be a box outside of PP1 to leave them in (Miss Cunningham’s class).

Thank you from Pre-primary and Yandeyarra Remote Community School.

REMEMBRANCE DAY

Our school captains Preston and Olivia represented Dalkeith Primary School at the Nedlands RSL Remembrance Day Service on November 11th. Preston and Olivia read a poem and laid a wreath in honour of fallen soldiers. Students and staff also observed a minute of silence under the flag pole on the 11th hour of the 11th day on the 11th month to commemorate the occasion.

Donate Pre-Loved Books!
STAY CALM! The fire fighters are coming to town. Sen, Mark, Damien and Graham are here to teach all the year 3 students about fire fighters and what they do to help us. Our fantastic Mrs Bright organised this wonderful incursion.

All of the fabulous fire fighters told us to ring 000 in the case of a fire. You will need to tell them where you are and what has happened. It is important to stay calm and evacuate the building by crawling along the ground. The fire fighters taught us a rhyme to help us remember, “Stay low and Go! Go! Go!”

Mark said that every house must have a smoke detector. They are able to sense the smoke in seconds. If someone has a heater on remember the rule, “One metre from the heater”. The fire fighters showed us a video about a family who had left a candle on all night and it started a fire. The family had to evacuate the house.

After the talk we went outside and got to hold the hose gushes of water came out, it literally covered the whole playground.

Finally it was time for the fire fighters to head back to the fire station. They gave us a fire fighter salute by sounding the siren as they drove down the road. The sound of the siren was as loud as the bells on a church. It was awesome.

All the students definitely had a fantastic time. We can’t wait for the next fire fighter visit.
Neville Collard visited the Kindergarten children to share his knowledge about Nyungar Know How, Hand painting and rock art, Bush tucker and the Corroboree. The children were involved in many hands on activities including spear making. The incursion was a wonderful learning experience of Aboriginal culture.
The Dalkeith Triathlon (all yr 4-6) will be taking place next Friday 25th November at the Nedlands foreshore, next to the Nedlands Skate Park. Students in years 4 and 5 will be completing one leg each in mixed teams, students in year 6 can choose to do the whole race themselves or complete one leg in a team. Year 4-6 parents are welcome to put together a team or complete the whole course themselves.

| YEAR 4 AND 5 | 150m swim | 4km ride | 1.5km run |
| YEAR 6       | 200m swim | 6km ride | 2km run  |

All students will depart school at 12.20 and either walk or if they are completing the ride leg they will ride with teacher supervision to the event. If there are any parents keen to walk or ride with the group please email libby.dyde@education.wa.edu.au

The emphasis for this event is on participation, teamwork and having fun!! To ensure the event is as safe as possible we require a minimum of 2 parent helpers per class. If you haven’t already put your name down please email libby.dyde@education.wa.edu.au otherwise check in on the afternoon for a high-vis vest to supervise the course. We look forward to an exciting and fun filled afternoon with lots of enthusiastic supporters and participants.

MATHS PROBLEM SOLVING OLYMPIAD AWARDS

Congratulations to Matthew M and Oliver O who were both in the top 10% of their division, Aryan N, who was in the top 20% of his division, and Megan M who was in the top 25% of her division. The outstanding improvement award went to Jess H. The following students placed in the top 30-50% of their divisions: Anton K, Will T, Liam D, Marco N, Ollie H, Dylan T, Jonny H, Ned C, Henry F, and Bethany W. Well done!

Congratulations to Isabella C for her gold medal win at the National Gymnastics Competition!
MLC Masterclasses are designed for girls and boys aged eight and over, of any skill level. Choose one of three four-day programmes, or try our Mix It Up option – you choose the number of days and classes.

4 DAY PROGRAMMES
Culminating in a presentation to parents/guardians on the final day.

LEGO ROBOTICS
A wonderful way to incorporate technology with science and engineering. Participants are challenged to conceive, design and make their own strategically programmed robot under the guidance of ICT trainer Lucinda Hill. This course develops their creative and lateral thinking, programming and problem solving skills and so much more.

SONGWRITERS LIVE WITH KAV TEMPERLEY
(Suitable for participants 12 years and above)
Spend four epic days with Kav, internationally recognised front-man and songwriter for the band Eskimo Joe. Kav and his team will encourage participants to embrace their song writing aspirations to create, record and perform an original song. A rare opportunity to spend time with a rock star and benefit from his passion for mentoring young musicians. Participants will finish the Masterclass with a scratch demo recording and present a live show for parents.

MIX IT UP
Choose one or any combination of these classes for up to four days.
See timetable on following pages.

LEGO ROBOTICS $360
SONGWRITERS LIVE $410
MASTERCLASS MIX IT UP $100 PER DAY

SUMMER SCHOOL

OUR PROGRAM
This summer WAAPA opens its theatres and studios to present a host of exciting courses for children and young people. WAAPA’s Summer School offers fun-filled courses providing intense, creative training for anyone in upper primary school and older. The courses build confidence, teamwork and self-esteem while developing the skills necessary to be a successful performer on the stage and screen. Choose a course that’s right for you!

OUR COURSES

THE WAAPETTES
Three days of fun-filled drama activities for upper primary students. Using games, improvisation, voice and movement create your own stories and characters. Perform a short presentation for your family and friends on the last day.
School Year: Suitable for Years 4–6
Dates: 19–21 December, 2016 or 6–8 January, 2017
Time: 10.00am–4.00pm
Cost: Full $320 / Earlybird $290

THE TOTAL WAAPA EXPERIENCE
After this behind the scenes experience, you won’t want to leave WAAPA! See where sets are constructed, lights and sound are operated and actors do their warm-up. Enjoy fun drama activities plus put together your very own sound and light production in one of WAAPA’s theatres.
School Year: Suitable for Years 7–12
Dates: 19–20 January, 2017
Time: 10.00am–5.00pm
Cost: Full $320 / Earlybird $290

ENROL NOW
Please enrol and pay online at waapa.ecu.edu.au/summer-school
All courses are subject to minimum enrolment numbers. Check the WAAPA website for full details and to apply.

CANCELLATIONS AND REFUNDS
Please choose your course carefully as full refunds will only be given if a course has been cancelled. In the case of illness, a partial refund will only be granted upon presentation of a valid medical certificate within seven days of the course end date. Refunds will incur an administration charge of 25% of the total course fee.
No refunds will be given once a course has commenced, except in the case of illness.
*Earlybird pricing closes 15 December, 2016
*All dates are correct at time of print.

ENROL NOW
