Message from the Principal

Dear Parents and Carers,

I have just returned from a delightful two day adventure with the year 6 students on Rottnest Island. I am very pleased to be able to report that they are all having a wonderful time. They are engaging in so many fantastic experiences that there is not a minute left unplanned. Many thanks and well done to Miss I, Mr G, Mrs Bryce, Peter Smith and Matt Herring for their brilliant supervision and care for our students. I am sure the next newsletter will be full of wonderful pictures and stories!

Just a reminder to parents about picking up and dropping off their children, please do not park in residents’ driveways or sit in your car in front of a driveway and block the entrance for that resident. As a matter of courtesy please be mindful of our neighbours who are always extremely tolerant of our school traffic. I have recently received some complaints about our parents blocking driveways and not moving when asked to. This does not reflect well on our school community so please be considerate and only use the kiss’n’drop zone, unless you have a legitimate parking spot. Please refer to the information from the City of Nedlands in this newsletter to avoid parking fines and potentially dangerous situations.

The school has commenced planning for the 2017 school year. Over the next few weeks we will begin placing students into classes for next year. Class placement procedures follow a three-stage process where the academic, health and social/emotional needs of every student are considered.

The process that Dalkeith Primary will use is detailed below for your information:

1. Class teachers, specialist teachers and education assistants work collaboratively to place all students into proposed 2017 class structures. Teachers will not be assigned to individual classes at this stage.

2. Amendments to class placements occur based on the needs of students at educational risk. This could include consideration of health, social and emotional and academic requirements. These amendments occur at administration level.

3. Parent requests, must be in writing to me and be based on educational grounds are considered. Parents should be aware that although every parent request is considered, making a request does not guarantee it will occur. We consider each placement request based upon on the overall academic and social balance of students in the class, alongside individual student needs. Parents are reminded that this is not an opportunity to request specific teachers or to have your child placed in friendship groups.

Please consult with your child’s class teacher if you have any queries about your child’s class placement. Confidential requests should be made directly to me by letter or email suzanne.pekin@education.wa.edu.au by Friday 18 November 2016.

Thank you for your cooperation and assistance with the above matters.

For 2016 our year 5 and 6 students will be producing the 'Time Travellers' musical for your enjoyment. There will be a matinee performance for PP - year 3 students to attend on the 16 Nov, and two evening performances where family and friends are invited to attend. The production will be held at the C3 church in Waratah Ave at 6.30 pm on 16 and 17 November.

Tickets for the evening performances will be on sale on the verandah from 8.30 am each day next week. From Monday 7 Nov to Wednesday 9 Nov the ticket sales are only for families of cast members to purchase with a maximum of 4 tickets per cast member. From Thursday 10 Nov until Wednesday 16 Nov the tickets will be available to any one else who would like to attend.

All tickets are $10 each and there is no reserved seating.

To assist in parking and child pickup:

- Leave your car at home where possible
- Do not stop on Adelma Road when attempting to use the kiss and drop. If the queue extends into the intersections cars should keep moving and return later
- Park further from the school and walk
- Only park on the West side of Adelma Road. The section on the west side of Adelma Road becomes full, parents should park on the north side of Viking Road between Genesta Crescent and Adelma Road
Our Book Fair was a great success—we even had a visit from Clifford the Big Red Dog!

Thank you students and families for your support and I hope the students enjoy their purchased books.

A big thank you to all the helpers who helped make it run smoothly, job well done. We couldn’t have done it without you.

We raised a massive $2,500.00 worth of books for the Library.

The focus for the fortnight is:

‘Taking care of your belongings’

This semester the school is focusing on one expected behaviour every two weeks. This particular behaviour is part of

Responsibility in our School Community
Spring is in the air and the Kindy gardens are looking great! It takes a team to keep the plants alive and careful watering is the key to success. The lettuce in the children’s vegetable garden is ready to pick and there are a lot of keen gardeners ready to sample the harvest.

Why not volunteer to host an international student from France next year? We have a small group of delightful French students coming to Australia for 10 weeks to immerse in local Australian culture, experience our High schools, sports, environment and lifestyle. All the French students are around 15 years old, speak excellent English, have their own spending money, cover all school expenses, and we arrange all aspects of their program. They are looking forward to joining an Australian family for a short term. It’s fun and interesting to help these young people achieve their Australian dream. If you’d like know more, please email your interest to Rob at Inter Cultural Management on rl@scce.com.au

BRING HOME A BIG BROTHER OR SISTER AND BRING FRENCH CULTURE TO LIFE!
